The charge against him of having opened the most complete best and cheapest stock of Drugs, Medcines &c. ever brought to Clarksville, is abundantly proven by hundreds of witnesses who have called upon n, at his New Establishment af the store form ey occupied by Thomas and Warfield. They all stify that he sell better drugs, better bargains, and waits upon them better than any one else ever did before. That he is a skilful purchasor, and good judge of drugs, is also proven by the reputation which he has with the Eastern Druggists of being a No 1 buyer. They say there that he bought all his stock of either the Manupacrungus or Important, and thus getting them of first hands ocured drugs of much better quality, as well as much cheaper than usual.
